

A comprehensive price list for plastic junction boxes

Article Overview

Plastic junction box prices vary widely, from as low as INR6 per piece in India to higher-end models with advanced features and certifications.

General Price Range

Plastic junction boxes are available in a broad price spectrum depending on size, material, and features. Basic indoor models for residential use are typically the most economical, while outdoor or industrial-grade boxes with weather resistance, UV stabilization, and flame-retardant materials command higher prices .

- o Compact single-gang boxes: Economical options suitable for simple wiring projects.
- o Multi-compartment or large enclosures: Higher-priced due to complexity, additional knockouts, and enhanced sealing mechanisms .

Supplier Pricing Examples

In India, some of the most affordable suppliers on IndiaMART offer the following starting prices :

- o Oswin Plastics Private Limited: INR6 per piece
- o Shah Plasto Moulders Pvt Ltd: INR10 per piece
- o L J Enterprise: INR11 per piece For bulk orders or specialized industrial boxes, prices may vary and buyers are encouraged to contact suppliers directly for quotes and delivery details .

UK and Online Retail Options

- o RS Components and Farnell UK offer a wide range of plastic junction boxes from trusted brands like Hammond, Wiska, Omega, BUD Industries, and Spelsberg, with pricing dependent on size, mounting type, and technical specifications .
- o Amazon UK lists various plastic junction boxes, with stock availability and prices fluctuating based on model and seller .

Factors Affecting Price

- o Material: High-grade polycarbonate or ABS plastics with flame-retardant properties cost more .
- o Size and Compartments: Larger boxes or multi-compartment designs increase cost.
- o Certifications: UL listing, CE marking, and IP ratings for water and dust resistance add to the price .
- o Features: Integrated mounting systems, multiple knockouts, cable glands, and strain relief entries influence pricing .

A comprehensive price list for plastic junction boxes

o Application: Outdoor or industrial applications require weather-resistant and UV-stabilized boxes, which are priced higher than standard indoor models .

Summary

Plastic junction boxes are cost-effective alternatives to metal enclosures, with prices ranging from INR6 per piece for basic models to higher-end industrial or outdoor variants. Buyers should consider size, material, certifications, and intended application when comparing prices and contacting suppliers for bulk orders or specific technical requirements .
