

Article Overview

China hosts numerous reputable lighting distribution box manufacturers offering OEM/ODM services, customizable designs, and bulk supply options.

Leading Manufacturers

o

HODOL - Based in Foshan, China, HODOL specializes in OEM and ODM distribution boxes and T8 lighting fixtures. They have a production team of 300 people and have been operating since 2006, providing both standard and customized solutions for industrial and commercial applications .

o

Wuxi Fenigal Science & Technology Co., Ltd. - A leading supplier of lighting and electrical distribution boxes, including weatherproof options. They focus on high-quality manufacturing and bulk supply, catering to industrial and commercial clients .

o

Dreamfly Electrics Co., Ltd. - Offers one-stop customized distribution box services, allowing clients to tailor size, color, design, and branding. They have over 20 years of experience in electrical equipment manufacturing .

o

Nanyang Power - Provides high-quality lighting distribution boxes suitable for factories and industrial applications. They emphasize reliability, safety, and compliance with international standards, including solutions for 35kV to 0.4kV systems and SF6 ring network boxes .

o

Made-in-China Platform - Lists over 1,350 lighting distribution box factories with more than 4,000 products. This platform allows buyers to source directly from verified manufacturers, including Changcheng Electrical Group, Jiangsu Liyang Electric Appliances, and other specialized suppliers .

Key Considerations for Sourcing

- o Customization: Many manufacturers offer OEM/ODM services, allowing for tailored designs, logos, and specifications.
- o Quality Standards: Look for manufacturers adhering to international safety and quality certifications.
- o Production Capacity: Consider the scale of operations, especially for bulk orders.
- o Technological Capabilities: Advanced solutions like SF6 ring network boxes indicate innovation and
