

Must-see manufacturers of Rwandan electrical distribution boxes

Article Overview

Sempra Electric, Tronic Electrical Ltd, and Quincaillerie Beta Ltd are key providers of electrical distribution boxes and panels in Rwanda.

Sempra Electric

Sempra Electric Private Limited is a recognized manufacturer and exporter of electrical distribution panels in Rwanda. They produce a wide range of products including Low Voltage (LV) panels, High Voltage (HV) panels, Main Distribution Panels, Sub-Distribution Panels, Motor Control Centers (MCC), Lighting Distribution Panels, and Automatic Transfer Switch (ATS) Panels. Their panels are designed for industrial, commercial, and residential applications, offering safety, centralized control, and efficiency in electrical systems .

Tronic Electrical Ltd

Tronic Electrical Ltd, based in Gisozi, Kigali, is a leading supplier and distributor of electrical products, including switches, lighting, and electrical fittings. While primarily a distributor, they also provide solutions for electrical installations and have a showroom at CHIC Mall in Kigali. They cater to both small projects and large-scale electrical works, serving businesses, hotels, and residential clients across Rwanda .

Quincaillerie Beta Ltd

Quincaillerie Beta Ltd, located on Muhima Street in Kigali, is a hardware and electrical supplier that deals in Low Voltage and Medium Voltage electrical installations, including ELIMSAN AIS and GIS switchgear, ASTOR MV & LV power transformers, and other distribution equipment. They also provide installation services and are the exclusive dealer of METSEC cable Ltd in Rwanda, ensuring access to high-quality imported electrical materials .

Summary

For businesses or individuals seeking electrical distribution boxes in Rwanda, Sempra Electric is the primary manufacturer of LV and HV panels, while Tronic Electrical Ltd and Quincaillerie Beta Ltd offer both supply and installation services. These companies provide a combination of local expertise, imported high-quality products, and support for residential, commercial, and industrial electrical projects . For direct inquiries, Sempra Electric and Quincaillerie Beta Ltd can be contacted through their respective websites or local offices, while Tronic Electrical Ltd can be reached at 0786 698 355 or via their showroom in Kigali .
