

Price of Fireproof Ladder-Type Cable Trays

Article Overview

Fireproof ladder-type cable trays typically range from \$1.50 to \$50 per meter depending on material, size, and supplier.

Pricing Overview

- o Standard Galvanized Steel Ladder Trays: Prices start around \$1.54 per meter for general-purpose galvanized trays when purchased in bulk .
- o Aluminum Alloy Fireproof Trays: These are lightweight, corrosion-resistant, and fireproof, with prices varying based on customization, dimensions, and supplier. Exact pricing is usually provided upon inquiry with manufacturers like Shandong Hongfeng Import and Export Co., Ltd .
- o Specialized or Heavy-Duty Trays: For industrial or marine applications, reinforced trays with higher load capacities (e.g., 500 kg/m) can cost significantly more, often \$20-\$50 per meter depending on material and fireproof certification .

Factors Affecting Price

- o Material: Stainless steel and aluminum are more expensive than galvanized steel but offer better corrosion resistance and fireproof properties .
- o Length and Width: Standard lengths are typically 2.4 meters, but wider or custom lengths increase cost .
- o Fireproof Certification: Trays meeting UL, BS, or EN fire-resistance standards may carry a premium .
- o Supplier and MOQ: Some suppliers offer low minimum order quantities (as low as 1 set) for prototypes, while bulk orders reduce per-meter cost .
- o Accessories and Fittings: Elbows, tees, and junctions are priced per piece and add to the total project cost .

Recommended Suppliers

- o Shandong Hongfeng Import and Export Co., Ltd. - Aluminum alloy, fireproof, customizable options .
- o Wuxi Wan Zhong Yuan Electric Equipment Co., Ltd. - Galvanized steel, cost-effective, general-purpose trays starting at \$1.54 per meter .
- o Fucheng Junhe Communication Equipment Co., Ltd. - Fire-resistant trays for specialized applications . For accurate pricing, it is recommended to contact suppliers directly with your required specifications, including material, length, width, load capacity, and fireproof certification. This ensures you receive a tailored quote suitable for your project.
