

Article Overview

Trapezoidal cable trays in Tanzania typically range from TSh 125,000 for a 3-meter 30x50mm tray, with prices varying by size, material, and supplier.

Pricing Overview

For example, a 3-meter trapezoidal cable tray measuring 30x50mm is listed at TSh 125,000 on local platforms like Jiji.co.tz, suitable for industrial, commercial, and data center applications . Prices can vary depending on the material (commonly pre-galvanized steel), load capacity (light, medium, or heavy duty), and supplier .

Suppliers in Tanzania

- o Shopit Tanzania offers a range of cable trays with competitive pricing and fast delivery from verified dealers .
- o JS Electromec Ltd supplies light, medium, and heavy-duty cable trays made from pre-galvanized steel, suitable for various industrial applications .
- o Jeetmull Jaichandlall (P) Ltd is a leading manufacturer and supplier, providing cable trays in multiple sizes, shapes, and configurations, tailored to industry requirements, and is recognized for high-quality finishing and adherence to standards .

Considerations for Purchase

- o Material and Durability: Pre-galvanized steel is common for corrosion resistance and long-term durability.
- o Size and Load Capacity: Ensure the tray dimensions and duty rating match your cable load requirements.
- o Customization: Some suppliers offer tailored sizes and shapes to fit specific industrial or commercial setups.
- o Delivery and Service: Check for local delivery options and after-sales support, which can affect overall cost and convenience. For accurate budgeting, it is recommended to contact suppliers directly to confirm current prices, availability, and any bulk purchase discounts. This ensures you get the best price for the specific trapezoidal cable tray configuration you need.
