

Price of armored logging fiber optic cable in Tanzania

Article Overview

The price of a 24-core outdoor armored fiber optic cable in Tanzania is approximately TSh 5,200 per meter.

Pricing Details

- o Outdoor Armored 24-Core Fiber Optic Cable (G652D single mode): TSh 5,200 per meter, available in Kinondoni through Tech Hub Solution on Jiji.co.tz .
- o Prices may vary depending on the core count, cable type (single-mode or multimode), and supplier.

Local Suppliers and Manufacturers

- o Raddy Fiber Manufacturing Tanzania Ltd: Produces high-quality armored fiber optic cables with single or double jackets, suitable for outdoor and industrial applications. They supply to telecom operators and government projects across Tanzania and East Africa .
- o Fiber Optic Tanzania Technologies: Offers a wide range of fiber optic cables including armored, bend-insensitive, and custom multi-fiber cables for both indoor and outdoor use .

Considerations

- o Core Count: Higher core counts (e.g., 48-core or 96-core) may increase the price per meter.
- o Cable Type: Single-mode cables are generally used for long-distance outdoor logging and telecom applications, while multimode is used for shorter distances.
- o Bulk Orders: Purchasing in bulk from manufacturers like Raddy Fiber may reduce the per-meter cost.
- o Installation and Accessories: Additional costs may include connectors, patch cords, and installation services. For accurate pricing and availability, it is recommended to contact local suppliers directly or check online marketplaces like Jiji.co.tz for current listings .
