

Price of complete high-pressure heater equipment

Article Overview

High-pressure water heaters in India typically range from INR2,500 to INR15,000 depending on capacity, brand, and features.

Price Range and Options

- o Electric High-Pressure Geysers: Small capacity units (3-10 liters) start around INR2,500-INR4,500, while larger storage models (15-25 liters) cost between INR5,000 and INR15,000. For example, the Warmex 25L Electric High-Pressure Storage Water Heater is priced with EMI options starting at INR457 per month and comes with a 2-year warranty .
- o Instant Water Heaters: Brands like Havells, V-Guard, and Bajaj offer instant high-pressure geysers compatible with high-rise buildings, typically priced between INR3,000 and INR7,000 depending on capacity and features .
- o Gas High-Pressure Geysers: Gas-powered high-pressure water heaters, such as BLOWHOT and V-Guard Zio, provide instant heating and are cost-effective for kitchens or bathrooms. Prices generally range from INR4,000 to INR10,000 depending on capacity (5-15 liters) and brand .

Features Affecting Cost

- o Capacity: Larger tanks (15-25 liters) cost more than smaller units (3-10 liters).
- o Heating Technology: Rapid heating, titanium-coated tanks, and advanced heat exchangers increase the price.
- o Brand and Warranty: Premium brands like A.O. Smith or Havells offer longer warranties (up to 5 years on inner tanks) and advanced safety features, which can raise the cost .
- o High-Rise Compatibility: Units designed for high-pressure supply (up to 8 bars) are slightly more expensive than standard models .

Additional Considerations

- o Installation Costs: Some sellers include installation, while others may charge extra.
 - o Energy Efficiency: BEE-rated models may have higher upfront costs but save electricity in the long run.
 - o EMI Options: Many online platforms offer EMI plans and cashback offers, making high-pressure heaters more affordable .
- In summary, for a reliable high-pressure water heater suitable for home or high-rise use, expect to spend between INR2,500 and INR15,000, with the final price depending on capacity, brand, and additional features.
