

Price of hot-dip galvanized cable trays in Mauritania

Article Overview

Hot-dip galvanized cable trays typically cost between \$10 and \$30 per meter, depending on type, size, and coating, with bulk orders potentially reducing unit costs.

Pricing Overview

- o Per Meter Cost: Hot-dip galvanized steel trays generally range from \$10 to \$30 per meter, with ladder-type trays on the higher end and perforated or wire mesh trays slightly lower due to material and design differences .
- o Standard Lengths: Most suppliers offer trays in lengths of 2.4 to 2.5 meters, with prices quoted per piece or per meter .
- o Bulk Discounts: Ordering in large quantities can reduce unit costs by 15-30%, depending on supplier and shipping arrangements .
- o Material and Coating: HDG trays provide superior corrosion resistance compared to pre-galvanized or powder-coated trays, which justifies a higher upfront cost . Minimum zinc coating thickness for outdoor use is typically 80 um .

Factors Affecting Price

- o Tray Type: Ladder trays are more expensive but support heavier cables; perforated trays offer better heat dissipation and dust protection at slightly lower cost .
- o Material Grade: Steel is standard; stainless steel or aluminum options are more expensive but offer enhanced corrosion resistance .
- o Shipping and Import: Importing trays to Mauritania may add freight, customs, and duties, which can significantly affect the final price .
- o Installation Costs: Labor, mounting hardware, and accessories should be included in the total project cost .

Recommendations for Mauritania

- o Contact local suppliers or distributors to confirm availability and exact pricing in Mauritanian Ouguiya (MRU).
- o Request quotes for both standard and bulk orders to compare unit costs.
- o Verify compliance with ISO 1461 or ASTM A123 standards for galvanizing and ensure compatibility with local electrical codes.
- o Consider perforated trays for better ventilation and dust protection if used in industrial or outdoor environments . By combining supplier quotes with shipping and installation estimates, you can calculate the total cost of ownership for your project in Mauritania.
