

Swiss manufacturer of new optical cable pulling machines

Preview

Condux International is the premier manufacturer of cable installation tools and equipment for the telecom, fiber optic and electric power markets. The EZ-SYSTEM-X is a compact rope blower to blow in ropes and cable pull lines, made of chrome steel and aluminum. Particularly noteworthy is the globally unique axial sealing, which makes the blowing process both simpler and more efficient and guarantees increased work safety. With over 30 years of experience, we are proud to offer. Plumettaz is proud to present its brand new copper cable extraction machine, the XTractor(TM) We are thrilled to announce the release of our 2024 Sustainability Report, demonstrating Plumettaz Group's ongoing dedication to environmental and social responsibility (ESG).

Optical Cable Pulling machine for duct rod and fiber cable. Achieve speeds of 30-70 meters per minute with a traction of over 3KN. Ideal

The GMP SideWinder Trailer-Mounted Fiber Optic Puller is engineered to surpass the requirements for installing underground telecommunication cables and high

The Fiber Optic Puller sets a new standard for safe and precise pulling of fiber optic cable. The puller can provide load cell torque input for

Cable Tractors Fiber Optic Cable Duct Rod Pusher Cable Pulling Traction Machine, Find Details and Price about Cable Duct Rodder Underground Cable Pulling

Find reliable fiber optic cable pulling machines for efficient cable management. Shop our range of durable, high-performance solutions for various applications.

Cable Puller, Power Cable Optical Cables Pulling Machine^, Find Details and Price about Machine Pulling Machine from Cable Puller, Power Cable Optical Cables

We provide solutions and equipment for optical glass making, fiber drawing, fiber coating, ribbon making, proof testing and fiber optic

FONGKO 2023 New Arrival FK-80M Cable Pulling Machine Optical Cable Puller Fiber Optic Traction Machine. Efficient FTTH solution with a top speed of 1.6m/s.| Alibaba.com

Plumettaz is proud to present its brand new copper cable extraction machine, the XTractor(TM). We are
