

## Article Overview

Taipei hosts several reputable cable tray manufacturers and support factories offering a wide range of products and customization services.

## Key Manufacturers and Suppliers

o

Shen Fang - Specializes in conduit fittings and cable tray systems suitable for construction sites and metro transit systems, providing durable and reliable solutions for electrical installations .

o

Trademo-listed Suppliers - Trademo provides a comprehensive directory of Taiwanese cable tray manufacturers, detailing shipment activities, trade volumes, and global trading partners. This platform is useful for identifying suppliers with verified export experience and business intelligence .

o

Cable House - Established in 1983, Cable House manufactures cable trays along with hose clamps, cable ties, crimping tools, and industrial connectors. They offer customized solutions and are recognized for high durability and reliable performance, serving both domestic and international markets .

o

Jeetmull Jaichandlall (P) Ltd. - Known for high-quality cable trays in various sizes, shapes, and colors. Their Taipei-based facility uses modern equipment and advanced technology to ensure excellent finishing and adherence to industry standards .

o

YEOU CHERNG PLASTICS INDUSTRY CO., LTD. - Founded in 1980, this company specializes in plastic injection molding and cable tray accessories, supplying industrial plants and EPC projects with cost-effective, high-quality products .

o

AREA Material Supplies, Inc. - Provides material supply, foreign trading, and logistics support, catering to competitive industrial and nuclear power plant requirements .

o

Rueen Fa Machinery Co., Ltd. - Operating for over two decades, Rueen Fa focuses on steel infrastructure and cable tray manufacturing, emphasizing continuous product quality improvement and reliable service .

o

Firmstle Co., Ltd. - Established in 2013, Firmstle is an exporter of innovative and patented cable tray products, collaborating with multiple brands and offering Taipei-based support for international clients .

## Considerations for Choosing a Supplier

- o Product Range: Wire mesh, ladder, perforated, and PVC cable trays.
- o Customization: Ability to tailor sizes, materials, and finishes to project requirements.
- o Quality Standards: Compliance with international standards and durability testing.
- o Support Services: Installation guidance, logistics, and after-sales support.
- o Export Experience: Verified shipment history and global trade partnerships for international projects.

These manufacturers and support factories in Taipei provide a robust selection of cable tray solutions suitable for industrial, commercial, and infrastructure projects, ensuring both quality and reliability.
