

Article Overview

Tanzania hosts a range of switch manufacturers and distributors, including Tanelec Ltd, Panasonic distributors via MCL, and electronic switch suppliers like AEDHS.com.

Key Manufacturers and Distributors

Tanelec Ltd is one of the largest manufacturers in East and Central Africa, producing distribution transformers and switchgear equipment. They manufacture both low-voltage (LV) and medium-voltage (MV) switchgear, including custom switchboards, control panels, and metering panels, designed to IEC standards. Tanelec also provides full service and repair support, including upgrades and retrofits, ensuring reliable operation for industrial and commercial clients (Tanelec Ltd) . MCL (Multicable Ltd) is the official distributor of Panasonic electrical products in Tanzania. They supply domestic and industrial main switches, including accessories like MCBs, RCCBs, isolators, high-end switches, sockets, and ceiling fans. Being an official distributor, MCL offers warranties and safeguard measures for consumers, making them a reliable source for quality switches (Multicable.co.tz) . AEDHS.com specializes in electronic switches and relays, offering major brands such as Autonics, Carlo Gavazzi, Emerson Industrial Automation & Control, Setra, and Watlow. They provide door-to-door delivery across Tanzanian cities including Dar es Salaam, Dodoma, Mwanza, Zanzibar City, Arusha, and more. AEDHS.com also offers repair, maintenance, and technical support for industrial automation applications, making them a key supplier for electronic and solid-state switches (AEDHS.com) .
