

Where can I find fireproof cable tray manufacturers in Dubai

Article Overview

Dubai offers several manufacturers and suppliers of fire-resistant cable trays, including Unigroup, Hutaib Electricals, and Ferrotech FRP, providing durable, compliant, and versatile cable management solutions.

Key Manufacturers and Suppliers

1. **Unigroup** Unigroup manufactures a wide range of cable trays in Dubai, Abu Dhabi, and Sharjah, including perforated, ladder, wire mesh, and GRP cable trays. Their products are designed for fire resistance, corrosion protection, and load-bearing capacity, suitable for commercial, industrial, and utility applications. Trays are engineered for ease of installation, long-term reliability, and compliance with international safety standards. They also provide full accessories and support systems for scalable cable routing solutions .
2. **Hutaib Electricals** Hutaib Electricals offers fire-resistant ladder-type, perforated, wire mesh, and solid-bottom cable trays tailored for Dubai's high-rise and commercial buildings. Their trays are made from galvanized steel, aluminum, and stainless steel, ensuring corrosion resistance and durability. Fire-rated trays are critical for preventing overheating and electrical hazards in extensive electrical systems. Hutaib also provides modular components for easy installation and maintenance, supporting Dubai's dynamic construction projects .
3. **Ferrotech FRP Cable Trays** Ferrotech specializes in FRP (Glass Reinforced Polyester) cable trays, manufactured from fire-retardant, corrosion-resistant thermoset resins. These trays are ideal for environments where metallic trays may corrode. They offer perforated and ladder-type systems with a full range of fittings and accessories such as bends, tees, reducers, clamps, and couplers. FRP trays provide UV resistance, electrical insulation, low thermal conductivity, and no earthing requirement, making them suitable for harsh or outdoor conditions .

Types of Fireproof Cable Trays Available in Dubai

- o Ladder-Type Cable Trays: For heavy-duty cables and high load capacity.
- o Perforated Cable Trays: Allow ventilation and heat dissipation.
- o Wire Mesh/Basket Trays: Lightweight, ideal for IT and telecom cabling.
- o Solid-Bottom Trays: Protect sensitive cables from dust and fire.
- o FRP/GRP Trays: Non-metallic, fire-retardant, corrosion-resistant, and lightweight.

Considerations for Selection

- o Fire Resistance: Ensure trays meet fire safety standards for high-rise and commercial buildings.

Where can I find fireproof cable tray manufacturers in Dubai

- o Material: Choose galvanized steel, stainless steel, aluminum, or FRP based on environmental conditions.
- o Load Capacity: Select trays that can support the combined weight of all cables.
- o Installation and Maintenance: Modular and pre-fabricated designs simplify installation and reduce labor costs.
- o Accessories: Include bends, tees, reducers, clamps, and couplers for complete cable management.

These manufacturers provide customizable solutions to meet Dubai's construction and safety requirements, ensuring efficient, safe, and long-lasting cable management systems .

CABLE TRAYS manufacturer in UAE . DANA STEEL is the leading manufacturer of high quality Cable trays & it's accessories in

Leading cable tray manufacturer and supplier in Dubai, UAE offering cable trays, cable ladders, strut channels, trunking systems,

GRP Cable Tray Manufacturers in UAE PSI Cable Support Systems are available in GRP material to provide economical solutions to

Cable Trays Companies in Dubai Bonn Metals Const Ind LLC, Dubai, Contact: 04-8868791 Westport Middle East, Dubai, Contact:

FRP Cable Trays Ferrotech FRP Cable Tray system are Manufactured from Glass Armoured thermoset fire retardant resins.

Hutaib Electricals is a leading cable tray manufacturer and supplier in Dubai, UAE, providing high-quality cable management

FRP Cable Trays & Ladders We are also the leading manufacturers and suppliers of Cable Tray Products all over the world

We are leading manufacturers/factory of cable trays,ladders,trunkings,accessories in the middle east.With head office in Dubai &

Bonn Group is a leading cable tray manufacturer & supplier in UAE. Offering durable GI cable trays, cable tray sizes & types, cable

Looking for the best cable tray manufacturers & suppliers in Dubai, UAE then look no further? We provide

Where can I find fireproof cable tray manufacturers in Dubai

Find top cable tray manufacturers & suppliers in Dubai. Source ladder cable trays, perforated cable trays, wire mesh cable trays,

Online Yellow Pages UAE providing complete details of companies dealing in cable tray in UAE. Find out more information on cable

Discover Cable Tray Suppliers in UAE and Cable Tray manufacturers for high-quality cable trays to organize and protect electrical

One of the leading cable tray suppliers in Dubai, offering a comprehensive cable management system. We

Largest suppliers of Cable tray in Ajman, Sharjah, Dubai, UAE. We supply Pre-Galvanized, Hot dip Galvanized, Powder Coated cable

Reliable cable tray suppliers in Dubai, UAE. Strong and safe trays for buildings and factories. Quality products, fast delivery, and
