

Where can I find wall-mounted network racks in the UAE

Article Overview

You can find wall-mounted network racks in the UAE through online marketplaces and specialized suppliers such as Amazon.ae, IT World Trading, Sys LLC, Prolux International, and Ultra Stream Technologies.

Online Retail Options

o Amazon.ae offers a variety of network racks, including wall-mounted units, with options for different sizes and stock availability. This is convenient for quick online ordering and delivery across the UAE .

Specialized Suppliers

o IT World Trading (Dubai) provides compact wall-mount units and full-size server racks. Their cabinets are designed for durability, efficient ventilation, and smart cable management, suitable for offices and data centers in Dubai and across the UAE .

o Sys LLC offers both pre-configured and customizable wall-mounted racks, including closed and open-frame options. Their products focus on secure access and protection for critical IT systems .

o Prolux International LLC supplies wall-mounted and flush-mounted cabinets in various sizes and colors. They provide Etisalat & Du certified products, robust designs, and optional custom dimensions to meet specific project requirements .

o Ultra Stream Technologies delivers a wide range of wall-mounted network cabinets for small offices to large enterprise setups. Their cabinets ensure optimal ventilation, security, and space for future expansion, with responsive service and timely delivery .

Considerations When Choosing a Wall-Mounted Rack

o Size and Capacity: Ensure the rack fits your equipment and available wall space.

o Ventilation and Cooling: Proper airflow is essential to prevent overheating.

o Security: Lockable doors and restricted access protect sensitive hardware.

o Compliance: Look for racks meeting ANSI/EIA, IEC, or ETSI standards for reliability.

o Customization: Some suppliers offer adjustable dimensions and configurations to match your infrastructure needs. By exploring these suppliers, you can select wall-mounted network racks that meet your technical requirements, budget, and delivery preferences in the UAE.
