SICHUAN ZHONGGUANG manufactures lightning and electromagnetic protection products such as surge protectors and grounding modules, founded in 1987. SICHUAN ZHONGGUANG HIGH-TECH RESEARCH INSTITUTE CO. is a leading manufacturer and supplier of high-quality Power/signal/antenna Surge Protection Device (SPD), lightning protection device, exporting to global markets. - Earthing's Dedicated Focus : UL-Marked Copper Bonded Earthing Rods, Inhouse Produced Accessories of Earthing Rods, Exothermic Welding Powder / Molds / Tool Kits - +86-18258450381 (Mr. Its main include modules, ion rods, wires. Allwin Instrument Science And Technology Co., LTD is located in Suite 3,NO. 15 Dong sheng Road,Cha dong village,Da long Avenue, Pan yu district, Guangzhou.

A prominent player in the lightning protection industry, Zhongguang specializes in high-quality SPDs for industrial, commercial, and residential applications. Their products are widely used in power

Zhongguang Hi-tech is the first lightning protection enterprise which passed the certification of ISO14001 in Chinese lightning protection field. Now it already has the certificates of UL, RoSH, China CCC, etc.

Xinchang Zhongke Electric Co., Ltd. Xinchang County, Zhejiang Electric Co., Ltd. (the original excitation and lightning protection equipment manufacturing Co.,

Sichuan Zhongguang Lightning Protection Technologies Co.,Ltd. is a leading manufacturer and supplier of high-quality Power/signal/antenna Surge Protection Device (SPD), lightning protection device,

SICHUAN ZHONGGUANG manufactures lightning and electromagnetic protection products such as surge protectors and grounding modules, founded in 1987.

The ZGD-II-1 Low Resistance Grounding Module is a kind of grounding body based on nonmetallic materials, being composed of conductive and stable nonmetallic

Its grounding resistance value is equivalent to a 2m long steel bar worth 5 yuan, but the unscrupulous manufacturers sold it for three or four hundred yuan per piece (Sichuan Zhongguang

Zhongguang Hi-Tech as modern lightning protection enterprise possesses comprehensive lightning protection technology, complete product series, perfect

Scientific Management As a pioneer in lightning protection field, ZG is the first company qualified for

ISO9001, ISO14001, and OHSAS1800 certificates in China.

Graphite grounding module manufacturer in China, Jinsun can supply types of graphite grounding modules are used in power industry lightning protection

China Earthing System Manufacturers, Suppliers, Factory - Customized Product Details: Lightning protection grounding materials including copper grounding materials, galvanized grounding

We established a quality control system based on ISO9001:2008 standard, we got CE and ROHS certificate for copper bonded steel ground rod. All products (include ...

Low Resistance Grounding Module General The ZGD-I-2 Low Resistance Grounding Module is a kind of grounding body based on nonmetallic materials,

Sunlight is a leading manufacturer of grounding&lightning protection in china, which provide complete solution including consultation, design, production, installation and service.

Xinchang County, Zhejiang Electric Co., Ltd. (the original excitation and lightning protection equipment manufacturing Co., Ltd.), a professional plating grounding rod, grounding flat and round wire

An enterprise specializing in power transmission and transformation equipment manufacturing, providing power system solutions and engineering services.
